

2024 Interim Bureau Decisions

DATE	IBD No.	SUBJECT	DECISION
29/05/2024	2024/06	<p data-bbox="459 376 1077 405">19th FAI World Parachute Ski Championships 2025</p> <p data-bbox="459 448 1328 549">During the most recent ISC Plenary Meeting it was agreed that the Bureau would be authorized to approve any late BID received to hold a Parachute Ski World Championship in 2025.</p> <p data-bbox="459 592 1317 764">The Bureau has received a BID from the Austrian NAC to hold the event in St Johann im Pongau, Alpendorf, Austria from the 13th to the 17th of March 2025. The BID has the full support of the Parachute Ski Committee and the Bureau has determined that the BID is correct and according to the rules.</p> <p data-bbox="459 807 1319 979">The Bureau has taken into consideration that the Organising Committee has held numerous events in the past which were all very successful, that the event site has been used for PS events in the past, and that the entry fees are extremely reasonable and well below what is normally expected for a World Championship.</p>	<p data-bbox="1355 376 2045 512">The Bureau has unanimously agreed to approve the presented BID to host the 19th FAI World Parachute Ski Championships 2025 in St Johann im Pongau, Alpendorf, Austria from the 13th to 17th March 2025.</p> <p data-bbox="1355 555 2000 619">The Bureau has appointed Günter Berendt as the FAI Controller for the event.</p> <p data-bbox="1355 662 2049 798">According to SC5 6.5, NACs are welcome to forward their Judges Panel Nomination list for this event to the ISC Judges Committee as soon as possible, and at the latest, before July 31st, 2024.</p> <p data-bbox="1355 841 2072 976">We would like to thank the Parachute Ski Committee Chair Michael Egger for his efforts and his support to the Organising Committee and to the Delegate for Austria, Gernot Rittenschober for presenting the BID.</p>
