COMMITTEE TOPICS FOR PAST YEAR

1. **Length of competitions** – There was a discussion regarding the length of future competitions given the split of FS&VFS and AE&DY disciplines into separate events, furthermore regarding the newly added Solo Speed and in the future it is expected to have another discipline addition – the Handifly Race.
2. **Organizer's Guide** – The committee is working on updates and additions to the Organizer's Guide. Mainly regarding to the timing of performances, training times before the competition, music matters and lifestream commentators' guidelines.

FUTURE COMPETITIONS

There are currently two planned FCEs in indoor skydiving and that is the FAI World and Continental Championships in FS 4way, 8way and VFS in **Raeford, NC, USA in April 2025** and the FAI World and Continental Championships in Freestyle and Dynamic in **Charleroi, Belgium 2025**.
