**Proposal to amend Sporting Code, SC5  
(Insert at 4.4.1, and 4.4.2)**

**4.4.1 RESPONSIBILITY OF THE ENTRANT, ACCEPTANCE OF SPORTING CODE, RULES, REGULATIONS: & PROTOCOLS**

The entrants and competitors are required to know, understand, accept and abide by the Sporting Code and all rules, regulations and protocols for the event.

A person entered to compete in an event, by his/her NAC or authorised national authority, will be deemed to have accepted all FAI/ISC rules, regulations and protocols, without reservation.

The aim of this new clause is to make it clear that an entrant accepts all and every FI/ISC rule, regulations and protocol pertaining to the event, without reservation.

**4.4.2 ISC INJURY PROTOCOL**

The ISC Injury Protocol is among the documents referred to in 4.4.1 above, the acceptance of which is a pre-condition for entry and participation in an FAI/ISC event.

The Injury Protocol is a stand-alone document, available on the FAI/ISC website.

This clause specifically points to the Injury protocol for competitors.
