As a contribution to keeping competition costs down, iFLY Aix-marseille will offer a favorable rate to all teams for pre-event training. Once a team has registered and paid the full entry fee, the rate offered to competitors will be 750 euros per tunnel hour. All members of the team must be present and flying during the pre-event training. iFLY Aix-marseille commits to reserve blocks of time exclusively for competitors for up to seven days prior to the event's start date.

* If a competitor registers for more than one event, the team fee will have a discount of 50 euros for each already registered competitor for the additional event.

** Teams that are registered and have paid a full entry fee can book time at iFLY Aix-marseille prior to the event at 750 euros per hour (Official practice day).

All other flight time booked to be flown before the official practice day will be charged our regular rates.

*** An entry fee of 200 euros for any additional attendees who are not part of the official delegation or require a sanction fee to be paid. The entry fee will include the opening ceremony as well as entertainment, closing ceremony and a banquet.

Late registration may be accepted if capacity allows. The entry fee will be increased by 50% of the initial entry fee and the FAI/ISC Sanction fee added to that.

All team members must be present and flying.

2.13 Facilities

To express and show the importance we give to the upcoming event, we would like to mention the competition "The Clash of Lyons" hosted at iFLY LYON in January 2018 which was organized in the same standards as we intend to do for this competition of 2026.

The Clash of Lyons 2018:

And here is a recap video of the event in 2018:

For 2026 at iFLY Aix-Marseille, we would like to host the event with the same standards. Our facilities provide space over 1 floor including 3 large conference rooms (can be used as brief/debrief during event), 1 debrief room and 1 classroom, free internet access, and there will be a designated area in addition to this for the judge panels and FAI/ISC officials. There are male, female and disabled bathrooms available. There is also a private large parking lot to support the event.

iFLY Aix-marseille

All competitors will be welcomed at our Front Desk and will fill out registration forms and waiver.

For Judges, FAI Controller and Jury: There will be a designated area equipped with computers, video playback monitors, internet access, scoring system, scanner, printer, and other necessary tools.

Competitors

Competitors will have access to the 3 brief/debrief rooms provided. These rooms are equipped with Wi-fi, Computers, coffee makers, mini refrigerators, creepers, whiteboards, and an option to review videos for debriefing.

Media

We provide a designated area for media on site including a private room equipped with computers and internet.

The event will be transmitted live through social media as well as live on national TV.

Food Services

Food trucks will be provided and available during the competition days. The external area is equipped with tents and tables for dining and an additional grass area surrounding the tunnel is available if necessary.

2.14 Wind Tunnel

Tunnel engineering details:

14-foot (4.3 m) recirculating wind tunnel with a 48-foot (14.6 m) chamber height and top wind speed of 171 mph (275 km/h).

Tunnel facilities:

Cameras

All cameras can record and store footage for review. The existing system automatically uploads all videos to the server and enables immediate access from stationary computers in the building. The views will include a top and bottom view allowing judging for all disciplines.

It is understood and agreed that iFLY Aix-Marseille will have all equipment needed, ready, and operational for all competition performances and official training.

2.15 Pre-Event Training and fees

As a contribution to keeping competition costs down, iFLY Aix-marseille will offer a favorable rate to all teams for pre-event training. Once a team has registered and paid the full entry fee, the rate offered to competitors will be 750 euros per tunnel hour. All members of the team must be present and flying during the pre-event training. iFLY Aix-marseille commits to reserve blocks of time exclusively for competitors for up to seven days prior to the event's start date.
