

BID to host in the year 2025

- 2025 11th FAI EUROPEAN STYLE AND ACCURACY LANDING CHAMPIONSHIPS
- 2025 8th FAI JUNIOR EUROPEAN STYLE AND ACCURACY LANDING CHAMPIONSHIPS

The European Championship is to be held concurrently with the Skydiving World Cup Series (SWCS) round in the Czech Republic. Each competition is judged according to the respective rules, that differ from each other. The order of jumps in the individual rounds of the competition will be determined according to the SWCS rules.

The jumping order in the first two (2) rounds will be therefore determined by reverse order of placing, based on the final result of team accuracy during the last event of SWCS. In all other rounds (3- 8), the jump order will be reversed rank order after the last completed round for all the competitors.

Due to two sets of different rules, the organizers also decided that refund for (accuracy) jumps not made is € 10 as for every SWCS event - according to SWCS rules.
