### **CIAM Subcommittee F3 Radio Control Aerobatics Report 2024**

The actual F3 Aerobatics Subcommittee period May 2024 till April 2025 has 23 members and additionally there is a World Cup Coordinators for F3A.

The Subcommittee and the Working Groups worked actively and in a very cooperative way during the last year, although the economical problems all over the world had some influence on motivation. A big thank to the Working Group Coordinators.

13 F3A-World Cup competitions took place. For the first time two in Asia. Especially the event in China was really remarkable. The ASFC organized it in World Championship style with special opening and closing ceremony.

At European competitions, participants from Russia and Ukraine were mostly missing.

The FAI F3A European Championship was held at the end of July near Grandriey/Belgium. The competition was well organized and competitors and officials enjoyed to have been there, Using Registration phase 2 the number of competitors was similar to the previous event in Belgium in 2018. For further details, please refer to the respective Jury Report.

Discussions within the Subcommittee and relevant Working Groups:

- about better defining some items in the F3A, F3P rules
- about modifying the Final at Cat 1 events
- about rule clarifications for F3A and F3P
- about new manoeuvre schedules for F3A A-29, P-29 and F-29,
- about new manoeuvre schedules for F3P Aerobatics F3P AA-27, AP-27 and AF-27,
- about new manoeuvres for F3A Unknowns
- about general problems and issues with F3 Aerobatic classes,

The chairman

- supported the organizers of 2025 F3A World Championship and 2025 F3P Championships to find officials and to create Bulletin 0.
- supported the Organizer of 2024 F3A European Championship in Belgium to prepare the event,
- supported the ASFC organizer to prepare the China World Cup and was present as FAI Jury President in Datong China,
- was present at several F3A World Cup competitions in Europe as judge or as Jury President
- took part in CIAM Bureau discussions,
- attended several the-CIAM Bureau Meetings, all E-Technical Meetings of 2024 CIAM Plenary Meeting.

Thanks to all people who cooperated and supported F3 Aerobatics Subcommittee and me.
