

Agenda Item 7.12

## **UAV WG Report**

# Terms of Reference of the UAVWG

- **Decision of the 2014 CIAM Plenary Meeting** (*approved unanimously*): UAV/UAS Working Group to be ready for the December Bureau Meeting
- **Terms of Reference of the UAV WG** (*version 1.0 - June 2014*)
  - **Mission:**
    - To evaluate the impact for CIAM activities of the current available technology especially regarding the sporting activity and events
    - To prepare a draft rule to be considered as a base for future sporting events and consider whether a test event can be organized
    - To define the interest of a new separate Sub-Committee and the qualifications required for the members of such a Sub-Committee
    - If so tasked by CIAM Bureau, to prepare the necessary rules modifications in order to establish a new Sub-Committee
  - **Term of the Working Group:** from June 2014 to April 2015

# Composition of the UAV WG

- **Chairman:** Bruno DELOR - France (CIAM 1<sup>st</sup> VP and CIAM delegate)
